

## Lee J. Jones Memorial Student Success Fund

The Lee J. Jones Memorial Student Fund is designated to provide assistance to DCEA TRIO graduates who are currently enrolled in college or vocational school and are experiencing a hardship or emergency while pursuing their post-secondary endeavors.

Examples of expenses that can be covered are:

1. Emergency vehicle repair for a student with no other means of transportation to attend their classes (such as a flat tire, need a new car battery that you cannot afford, etc.)
2. Assistance with replacing broken/lost eye glasses for the student if insurance or other resources are not available to cover the expense.
3. Assistance with purchasing items required for a student's field of study that are not covered by any other type of financial aid (stethoscopes, required software, books, etc.)
4. Assistance with expensive required medication or dental emergencies that are not covered by health or dental insurance.

All of these examples and any other financial hardship that could potentially hinder you from successfully completing of your post-secondary degree will be considered when applying for assistance.

To qualify: a student must be an alumni of any DCEA TRIO program and be currently enrolled in a program of post-secondary education at a brick & mortar institution.

To apply for assistance, contact the TRIO Data Specialist at 423-318-6929
