To All Parent and Students,

Thank you for your interest in the Talent Search program. Talent Search is a federally funded program designed to help students complete high school and enroll in / graduate from a post-secondary institution.

We provide the following services: tutoring, career planning, ACT Prep, GPA monitoring, high school planning, help with class selection, personal - academic - social counseling, financial literacy, financial aid information and assistance, college application assistance, study skills, time management, priorities, note taking, test taking, and much more.

During the academic school year, students will meet with their Talent Search Adviser to address any issues they may be having as well as learn about our Talent Search curriculum. Tutoring is available afterschool for those students who need it.

Students will also have the opportunity to attend several college visits each year. On these days, students will visit area TCATs, colleges and universities, tour the dorms, tour the campuses, and eat in the college cafeterias. Students will also be able to attend cultural trips, such as museum visits, theaters and plays, etc.

ALL of these services are provided FREE of charge to ALL Talent Search students.

Talent Search is a great program, which will go above and beyond the call of duty to help each student achieve their goals.

Please fill this application out correctly and completely, as we cannot process it until every portion of it is complete.

Should you have any questions, please feel free to contact me, or the Talent Search Adviser at your school. I have listed all contact numbers below for your convenience.
