ACT Intent Form

Student Name _____ Date of Entry _____

Talent Search Juniors must take the ACT their junior year of high-school. While we do not require you test on any certain dates, we do want to know your plan for taking the test. All high schools will give the test, for free, in March, to all current juniors.

Talent Search will also provide you with a voucher, for one additional ACT test. We do not care whether you test in March at the school, use the TS voucher, or use both, as long as you take the test **at least one time during your junior year before April 1st.**

During the Sept through Feb period, which ACT test date would you like help signing up for?

Are you going to take the ACT test in March, at your high-school? **Yes** **No**

Would you like an ACT voucher from Talent Search (you can have one regardless of whether you are taking the ACT in March, we suggest you take the ACT as many times as possible)? **Yes** **No**

If yes, your TS Adviser can help you sign up for the test now.
